Lakeside Budget Storage, a self-storage facility on Hall Road in Sterling Heights recently became the number one dealer in the nation for U-Haul for truck and trailer rentals.

"This is an amazing achievement, since U-Haul has over 20,000 dealers," said Sid Moss, co-owner/manager of the five Budget Storage facilities in Michigan. "The Lakeside team is committed to excellence and this honor is proof of their hard work and dedication."

Larry High, area sales manager at U-Haul said that there are a total of 20,007 dealers across the country and Lakeside Budget Storage is one of their AAA dealers, meaning that they are open seven days a week and offer all types of U-Haul equipment. "It is very rare that a Michigan dealer takes our top sales position," he remarked. "Lakeside is consistently ranked toward the top."

Interestingly, Moss believes that this is a sign of an uptick in the economy for Michi-

gan and particularly for the Sterling Heights area. "Most of our U-Haul rentals are round trip, meaning that customers are using the vehicles to move things locally, not out of state," said Moss. He added that in addition to Lakeside's number one ranking, America's Budget Storage in Canton came in at number 18 nationally and Clarkston Budget Storage, which just began U-Haul rentals last October, broke into the top 100.

Nancy Card, general manager for the five Budget Storage facilities, said that her staff is a big reason that Lakeside Budget Storage has taken U-Haul's number one position. "The customer ratings on the U-Haul website for Lakeside are all five stars," stated Card. "Our staff made that happen and we truly appreciate their efforts."

Lakeside Budget Storage is located at 13120 Hall Road, just west of Schoenherr Road in Sterling Heights. More information is available at lakesidebudgetstorage.com or by calling (586) 726-9292.

Find Buzzy, get Budget Storage Bucks!

He's painted on rocks and is hiding close by.

Painting rocks and hiding them in a particular community has become a popular pastime. There are many Facebook groups in Michigan dedicated to making others smile when they discover a hand-painted rock hidden under a park bench, in a community garden, or at the library of their hometown.

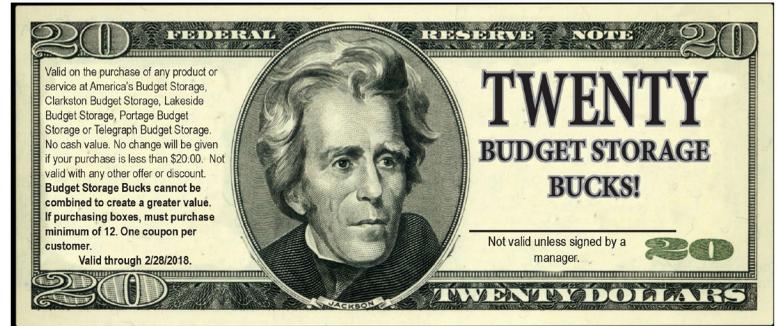

"Clarkston Rocks," "Plymouth-Canton Rocks," "Sterling Heights Art Rocks," "Downriver Rocks" and "Portage Rocks!" are examples of very active Facebook groups in the communities served by Budget Storage facilities. So, we thought we'd get with it and hide our own rocks.

We're hiding them around or near the Budget Storage facilities in Clarkston, Canton, Sterling Heights, Portage and Brownstown

Township. Ours feature Budget Storage Buzzy, the friendly bee.

Find him and you will get more than a rock with a painted bee on it. Bring Buzzy back to any one of our facilities for \$20 in Budget Storage Bucks, legal tender at any Budget Storage facility! Use it to pay for your unit rental, for extra boxes, other packaging supplies, U-Haul, shipping or printing services (where available).

Once Buzzy returns to us, we'll rehide him and someone else can enjoy the hunt! So start looking...it's fun and free! Rock on!
